Paws n' Claws: 2021 Summer Reading Program

Summer Reading registration kicked off June 1st with 25 sign-ups. Programming began June 7th with Quick-Frozen Critters. Other activities throughout June included an Ecosystem activity, Animal Charades and other games, and Head in the Clouds water-cycle activity. Crafts this month included painting birdhouses and animal-themed drawing challenges.

On average, each program in June has had 8 participants, some as many as 20. Littlest Patron Story and Playtime (ages 0-6) has been reintroduced on Wednesdays at 10:00AM and will continue into the Fall, and Tween Funtivities Club (ages 7-13) has been more active than ever.

Introduced with this year's summer reading program are Takes & Makes - craft bags that include instructions and pieces required to complete it for patrons to take into the library or home with them and create. These takeaway crafts have been a great supplement to programming in the summer, and we hope to continue providing these activities in the Fall.

Paws n' Claws: The Final Stretch of Summer

Summer will be drawing to a close in August and with it, the Summer Reading Program. Activities in July include a stuffed animal Scavenger Hunt, Water balloons and yard games, Tie-dye, and Animal Dioramas. As always, Lego camp is every-other Thursday alternating with Art Day.

July 30th the Library will be hosting a Pizza Party and Award Ceremony, acknowledging the Summer's participants achievements in activities and their at-home reading. Reading Logs will be due by 5:30pm on Monday, July 26th to be included in the competition for prizes. Family and friends are invited to celebrate with participants at 3:30pm.
