Paws n' Claws: Summer's End

Library staff would like to thank the community for participating in the 2021 Summer Reading Program! Thank you to the families who participated in the in-house activities, as well as the Take-and-Make crafts and at-home reading. We are also grateful to our Friends of the Library (FOL) organization for supporting this summer program and our future endeavors.

We would also like to extend our gratitude to our teen volunteers - Ashland Crites, Sammy and Samir Sosa, Michael Pacula, and Rachel Miller. These individuals dedicated time from their busy summer to assist us with programs, interact with the kids, and assist staff with regular library services. With their continued volunteerism, these students will be eligible for the \$500 Helen Cline academic scholarship.

July's summer programs included tie-dye t-shirts, wildlife dioramas, Web of Life food-chain activity and a water balloon activity that was unfortunately cut short by a thunderstorm. July 31st the Library celebrated the achievements of our participants with a Pizza Party and Awards Ceremony. During the Party Laura Robinson, Secretary of the FOL, orchestrated and safari-themed Escape Room for the juvenile and teen participants. Awards were presented to the volunteers, children, and adult participants present at the party.

Overall, 23 prizes were given in acknowledgement of program participation and reading achievements. Prizes given includes Pokemon-themed art books and informational texts, Animal and Minecraft-themed lego kits, a DIY plant terrarium, a 118-piece art set, a *Dog-Man* series boxset, and Fine Forgiveness Waivers, just to name a few.

Once again, thank you for making this a fun, successful summer and we look forwards to see everyone again at the FOL's annual Pumpkin Patch fundraiser.
