Book it to the Library

Greetings from Steven,

I would like to thank the town for allowing to be the Library Director. I was a volunteer here when I was young so it's almost like coming back to my first job. I hope we can do a lot of great things here at the library, thank you.

Finished Children's Room!

After lots of painting with Ashland, Jon, Lyndsey and I we finished the redecoration of the children's room into a Dinosaur theme. Along with dinosaur themed books showcased on top the shelves.

Children's Librarian Still Missing

As of right now we have not found a Children's Librarian to replace Jennifer. I've heard from a few people interested in the job so maybe we will have this role filled before too long.

Lyndsey's Last Goodbye

I promised I would leave her goodbye up for another month, we will all miss you and look forward to your bright future.

I would like to thank everyone in the Hennessey Community for supporting Jennifer and I for the better part of four years. This community welcomed us strangers like friends and we will never forget the people we've met here. It has given me great joy to service the Town of Hennessey and Kingfisher County as your Librarian and mentor. Had it not been my hometown and an opportunity to return to my family, I would have happily spent many years in this place. Once again, thank you. - Lyndsey Kopsa
